Company Overview

Alman Electric, a family-owned business, has been a trusted provider of electrical contracting services in the Dallas/Ft. Worth Metroplex since 1979. With a commitment to skilled craftsmanship, exceptional service, and competitive pricing, they handle a wide range of installations including commercial, industrial, transit, financial institutions, corporate offices, warehouses, colleges, hospitals, and government buildings. Alman Electric prioritizes exceeding the expectations of General Contractors, Owners, Designers, and Architects, ensuring projects are completed on time and within budget. Our team of electricians, both in the office and in the field, boasts over 100 years of combined experience, ensuring comprehensive and courteous service to all customers.
